

## **SPEAKING: NATURAL DISASTERS**

Talk about a natural disaster that you read or heard about recently (a tornado, a hurricane, a flood, a landslide, a drought, an earthquake, etc).

Where did it happen?

What were the effects? Give details.

Speak for 1-2 minutes, and use some of these words in your answer:

- evacuate
- emergency
- power outage
- shelter
- first-aid kit
- flashlight
- non-perishable food.

And some of these adjectives:

- mild
- moderate
- severe
- deadly
- catastrophic
